THE INNOVATORS OF COMFORT™

Stressless® E300 with ErgoAdapt™ system for innovative comfort

The Stressless® ErgoAdapt™ system built into both sofa and long seat make the seats tilt automatically as you sit down providing the perfect degree of comfort and support. Lying down you'll enjoy how the slightly oversized seats stay completely flat. It also has individual replacement back cushions in either fabric or leather for complete customization.

THE INNOVATORS OF COMFORT™

The Stressless® E300 sofa with ErgoAdapt™ can be customized to fit any room design. The examples to the right illustrate creative ways of combining different components. Note, when building as components there could be a slight variation (less than 1") in overall size.

The Stressless® E300 sofa with ErgoAdapt™ can be customized to fit any room design. The measurements to the right illustrate the dimensions of the product as components. Note, when building as components there could be a slight variation (less than 1") in overall size.

When building a Stressless® E300 as a component piece, it is possible to connect seats together. As an example, it is possible to connect a Left Arm, Armless 3-seater, Armless 3-seater, Armless 3-seater, Armless Long Seat, Right Arm.

When building configurations that require placing armless 2-seaters or 3-seaters next to each other, it is important to also order the ErgoAdapt™ mounting device. Article number 1997028.
